1. **New Director Candidates.** The Nominating Committee will identify individuals qualified to become Board members and recommend candidates to fill new or vacant positions. These factors may include judgment, skill, diversity (including factors such as race, gender or experience), integrity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The Nominating Committee will also review the qualifications of, and make recommendations regarding, director nominations submitted to the Company by security holders in accordance with the Company's Bylaws or otherwise.
2. **Incumbent Directors Evaluation.** The Nominating Committee will evaluate whether an incumbent director should be nominated for re-election to the Board or any committee of the Board upon expiration of such director's term. The Nominating Committee will use the same factors established for new director candidates to make its evaluation and will also take into account the incumbent director's performance as a Board member.
3. **Board Effectiveness Evaluation.** The Nominating Committee will evaluate the overall effectiveness of the Board and make recommendations to the Board resulting from the findings of its evaluation. The Nominating Committee will conduct its evaluation in such manner as it deems appropriate.
4. **Develop Policies.** To the extent that the Nominating Committee deems appropriate and prudent under the circumstances, the committee shall develop policies relating to (i) director candidates recommended by Company security holders, (ii) minimum director nominee qualifications, (iii) the process for identification and evaluation of director nominees, (iv) the process for Company security holders to send communications to the
